INTERNSHIP REFLECTIVE LOG

Name: Zubeda Qureshi

Week: 01

Reflection of the week:

What did I learn in this week?

This week, I learned how to communicate effectively with different People, including those I had never met before. I also learned the importance of being ~~Peet~~ Pdeint while working with others. I understand the importance of focus, concentration and avoiding small mistakes.

What can I do differently tomorrow?

I will try to assist with different profiles under my supervisor's guidance. I will also focus on report writing and improving my Practical working skills.
